

Important Notice:

This system is optimised and configured with security and logging as a priority.

All user activity is logged and streamed offsite. Individuals or groups using this system in excess of their authorisation will have all access terminated.

Illegal access of this system or attempts to limit or restrict access to authorised users (such as DoS attacks) will be reported to national and international law enforcement bodies. We will prosecute to the fullest extent of the law regardless of the funds required. Anyone using this system consents to these terms and the laws respectively.
